10:30am on December 16 sounds good.

See you then!

Erin,

The morning of Dec 16th would work great...how about 10.30 or 11 a.m?

Thanks!

Leena

Either the morning of December 16 or 17 should work. Which do you prefer?

Erin,

Since Stephen is going to be flying down for our Dec 16th meeting, can we also schedule an Aimco-VRP site update meeting (Michigan Plaza) with IDEM for another time slot on Wednesday 12.16 or Thursday 12.17?

Let us know, so Stephen can take care of his travel arrangements accordingly.

Thanks!

Leena

All,

I'd like to schedule our meeting on Wednesday, December 16 at 1:30pm here at IDEM. I hope everyone can make that date and time. If possible, please email your data to the group so we can review it prior to the meeting (a day or two in advance would be preferable). I believe Sarah Fisher is also compiling the data onto one large figure so please send your data to her as soon as possible.

Thanks again and see you all in December.

Subject: Vermont Street December meeting

Hello all,

Since December can be a busy month for everyone, I'd like to go ahead and schedule the Allison Transmission/Genuine Parts/Michigan Plaza meeting, especially given that a few folks will need to travel to Indianapolis.

Please let me know some dates/times that you are available December 15-18. I think lab data should be back to the consultants by then so we can review the data.

Thanks again for your participation,

Erin Brittain
